The gas cylinder storage, is right at the Waterland harbour office (for a custody fee).

Desired date/time to lift out the boat: 1st choice..... 2nd choice..... **

We crane during the week on Monday, Tuesday, Thursday and Friday from week 40 to week 46. The last crane day is Friday, November 15. Earlier is possible.

- The ship will be ready for winter storage at the service jetty in week, I will not be there

DateSignature.....

Extra remarks

** Late lift out means early lift in! If the boat is craned after 3 November, the boat needs to be ready before 6 March.

The booking of your winter storage will be confirmed in written, together with the invoice for the winter storage. For winter 2024/2025, our berth holders can reserve winter storage from July 1, confirmation will follow from July 15. External parties are welcome from August 1. The reservation is final after payment of 50% of this invoice. After a payment of 50% of this invoice your booking will be final. The second 50% need to be paid before craning.
